Men's and Boys' Suits

Clothes that any best clothing store is glad to show its most particular customers. Stylish, proper cut, well tailored, dependable. We take great pride in showing our present stock of Men's and Boys' Suits, not only on account of the correct fit, the workman-like finish, the perfect linings, the close set of the collar at neck, but in the hidden details of making that tell in the wear. It's these details of making that keeps our clothing shapely when no longer new.

The Deadly Parallel of Comparison of Prices

and qualities will prove to you that these Suits at \$6, \$7.50, \$10, \$12.50, \$15, \$17.50 and \$20 cannot be equalled in this city for the money. We want you to consider the prices and weigh them well, then investigate the remarkable worth they represent. One fact is especially entitled to your consideration, and that is the utter absence of unworthy goods. We offer none that we cannot conscientiously recommend as the very best in the grade they represent.

PARKER & JAMES,

Fourth and Main.

Y. M. B. O. D.

If you cannot read this small print at a distance of 14 inches your eyesight is failing and should have immediate attention:

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centered and made of purest material, set in frames of the highest elasticity and consequently of greatest durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy Imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge. Satisfaction guaranteed or money refunded.

Next visit—Thursday, April 26, 1900. Hello, 170.
